Our basic advertising package includes numerous features and provides a comprehensive, strategic internet marketing solution at an affordable rate. Visit ComeOnHome.biz so you may fully grasp why it is getting rave reviews from consumers and specifiers as a dynamic and effective resource.

Photographic Display Ad Package

\$1500 Per Year (12 months)

Visuals are crucial in the selection and shopping process for the development of the home environment. The ComeOnHome.biz Display Ad Package allows you to make a strong visual statement about what your business can contribute in the creation of the consumers' and specifiers' vision. It features your ad in many categories organized in ways that make it easy for browsers to find your business. It also provides opportunities for additional photos and rich descriptive text and links. Your ad and the entire ComeOnHome.biz site is strategically "search engine optimized" to provide high visibility to search engines for high rankings in their searches. *Note: We offer substantial discounts for multiple ads from the same company or business. You may want to consider a second ad if your business has several components that you might want to highlight in different ways, or if you have two different businesses.*

The ComeOnHome.biz Display Ad Package Includes:

Display Ad in Multiple Categories

Your Display Ad is featured in numerous Main Categories (i.e. Building, Landscaping, Decorating, etc.) with multiple listings in specific Sub-Categories (i.e. furniture, tile, lighting, cabinets, etc., as appropriate for the advertiser) at no additional cost. In effect, you get many, many ads for the price of one ad!

Special Sections

If applicable, your business may be featured in these Special Sections within ComeOnHome.biz at no additional cost: Showrooms & Stores, Artisans & Craftsman, Green & Sustainable, and Made in New Mexico.

Slide Show ("View More Images")

Included in your ad package is a slide show feature which allows you to illustrate the depth and breadth of your company's products and services by providing browsers a scrolling "slide show" of up to 22 photographs with searchable captions.

Website Linking

Your ad package includes multiple links to your own website at no additional cost. This feature develops traffic to your website by driving consumers and specifiers to your business while they are actively searching for the products and services you offer.

Text Links

Your ad package includes a variety of text links which appear below your ad graphic. These links are created strategically to allow visitors to link to various pages within your own website as well as to your manufacturers' websites, your COH slide show, and to other related sites.

Database

Your ad package includes a comprehensive database of text which appears below your display ad graphic. This text is created strategically to allow visitors to better understand your business and how you differentiate yourself from your competitors, while providing internet search engines the text they need to find your business and help it rise to the top of their searches.

Design Fee

\$200 per Display Ad Design, \$100 per Slide Show Preparation

We can design and create your custom ad and slide show for this fee. You are also welcome to submit your ad material (display ad and slide show photos) to us, prepared by your graphic designer, and we are glad to publish those at no additional cost. Submitted materials must conform to our specifications.
